**! Please read these instructions carefully and keep them in a safe place.  
 Ensure your dog is properly secured before operating your vehicle!**

## Parts

1. 2 x side parts

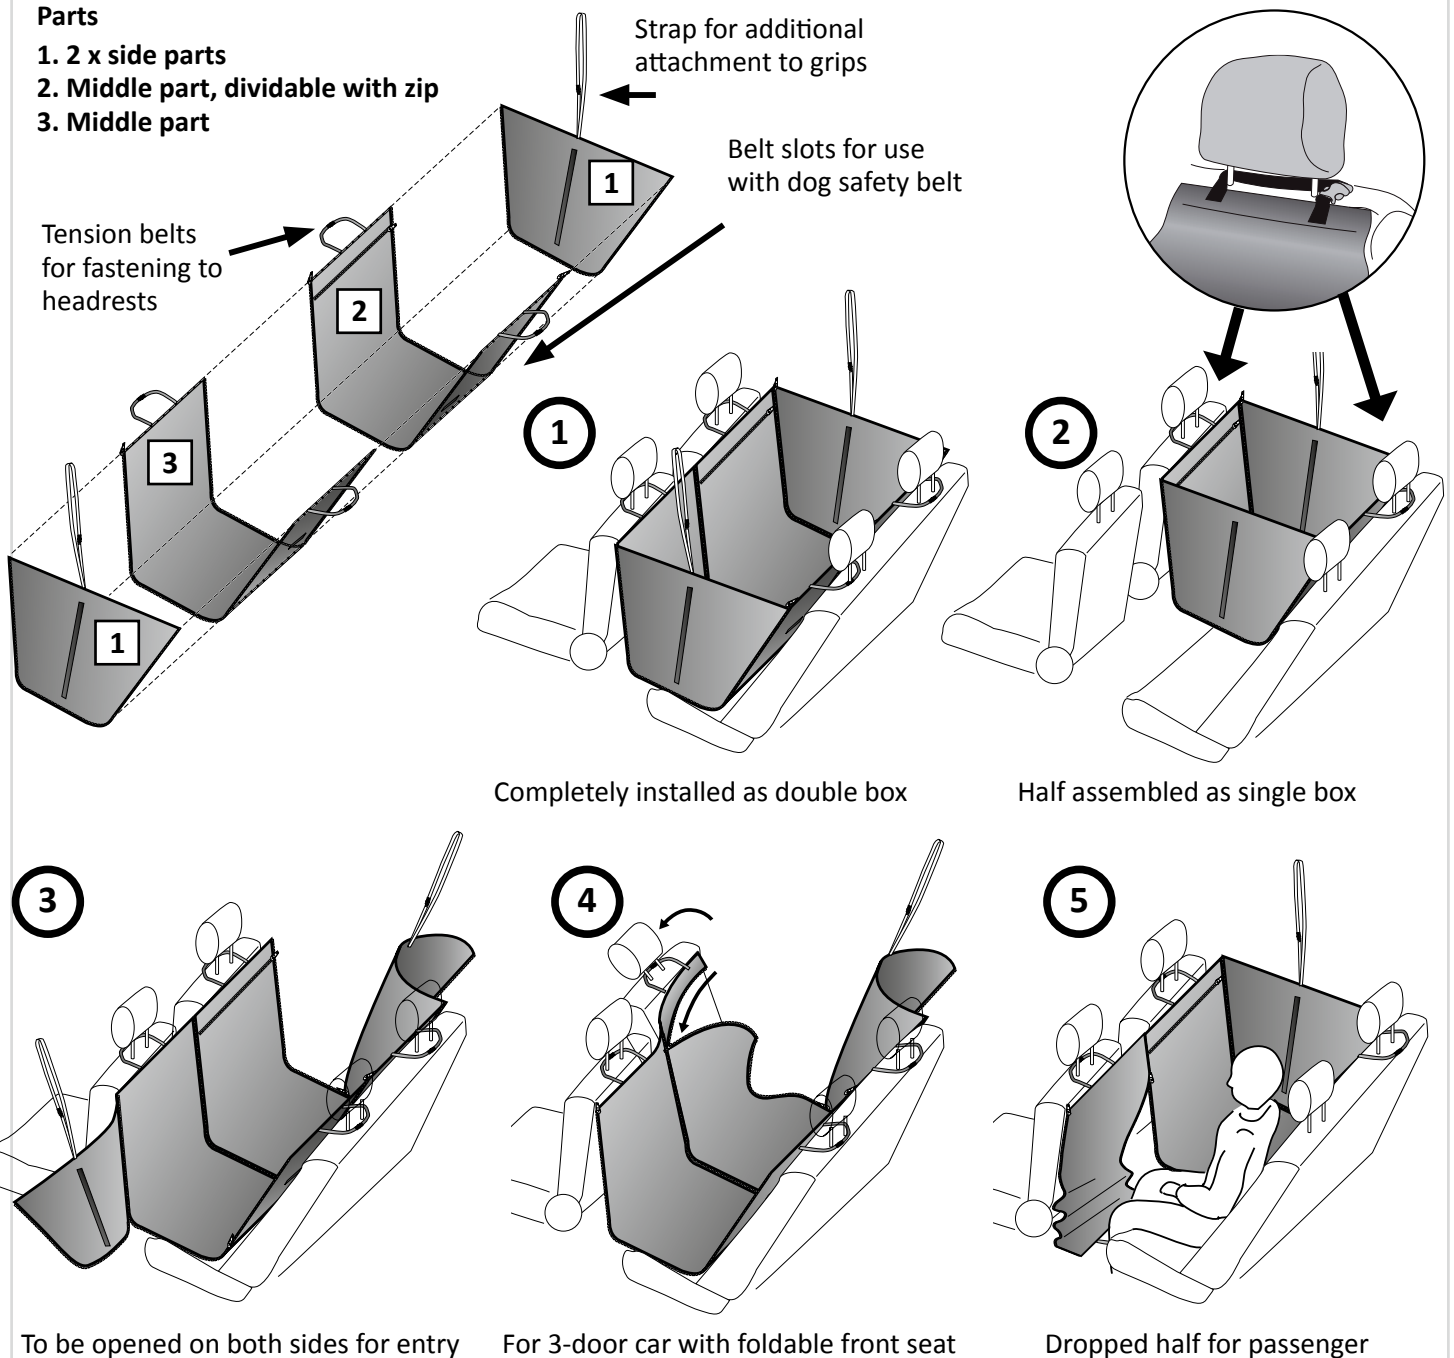

2. Middle part, dividable with zip

3. Middle part

Strap for additional attachment to grips

Belt slots for use with dog safety belt

Tension belts for fastening to headrests

**Safety notice:** Always transport your dog on the rear seats and secure it properly - preferably behind the unoccupied front passenger seat!

**Care and cleaning:** Remove any accumulated dirt and hair, and use neutral soapy water to wash all the fasteners and the protective blanket occasionally.

**Important notice:** Regularly inspect your ALLSIDE CLASSIC protective blanket (visually) for damages or wear and tear and replace if necessary!
